Recommends continuance of certain temporary establishments of the Health Section of the Bangalore City Municipality beyond 1-7-45.

1) The sanction accorded in G.O. no L 9233-4/MI 10-44-1, dated 14-3-45, for the continuance of certain temporary establishments of the Health Section of the Bangalore city Municipality for a period of one year from 1-7-44, expires on 30-6-45

2) The Municipal Commissioner has forwarded the resolution of the city Municipal Council, in regard to the continuance of the above establishments beyond 1-7-45

3) The details of establishments now asked for have been verified, and are found to agree with those sanctioned in the previous year in regard to their strength and pay

4) The statement of temporary establishments includes 14 items. The establishment mentioned as item no 9 is already permanent.
Separate reference about items 1 and 7 are made and they are under disposal

5) The following proposals of the Bangalore city Municipal Council, in regard to the continuance of the above

establishment beyond 1-7-45 are for orders —

1) Sweepers establishment shown as temporary Code Sl Nos 2, 3, 4, 8, 10, 11, 12, 13 and 14 in the statement appended - to be made permanent

2) Anti-Malaria and Vaccination establishment to be continued for a period of five years

3) Eleven Silt carts on Rs 60- each, p.m to be continued for three years

6) 1) The anti malaria Sweeper establishment may be continued also total cost of Rs 20,000/- for five years from 1-7-45 as recommended

2) 11 silt carts at Rs 60/- p.m* - One here for each silt cart was previously Rs 25/- which then raised to Rs 40/- now it is raised to Rs 60/- each p.m Conditions are likely to improve with the next one year hence we need not commit to pay to an expense at Rs 60/- per cart p.m Hence it may be sanctioned from year to year 1-7-45 & the Mcl asked to call for tenders well in time for 1946-47. This will whatever amend the case of the silt cart of the Engineering section The same procedure may be followed

Sir,

Adverting to G O. No L.9233-4/M1 10-44-110 dated 14-3-45, sanctioning the continuance of certain temporary establishments of the Health Section in this Municipality for a period of one year from 1-7-44, I have the honour to state that the sanctioned period expired on 30-6-45. The Municipal Council have, at their meeting held on 27-6-45 approved the following propdsals of the Health Officer

1 Sweepers establishments shown as temporary vide Sl Nos.2, 3, 4, 8, 10, 11, 12, 13 and 14 in the statement appended-to be made permanent.

2 Anti-Malaria and Vaccination establishment - to be continued for a period of 5 years.

3 11 Silt Carts on Rs 60/- each per month to be continued for 3 years

Necessary provision in this behalf has been made in the Budget for the current year and due provision will be made in the budgets for future years

2 The post of statistical clerk referred to by the Health Officer in the above proposal has since been made permanent in G.O No L 11241-3/M1 10-44-132 dated 18-5-45

3 With regard to the Lady Health Visitors Establishment, sanction of Government has been sought for in this office letter No A5 C.1478/43 dated 7-10-1944 and orders of Government are awaited in this behalf

4 The Council have also resolved that the lorry drivers establishment of the Health Department may be made permanent and a separate reference is being made to Government in the matter.

5 All these establishments are being continued from 1-7-45 in the interest of health and sanitation of the City pending kind sanction of Government.

6 A copy of the resolution of the Council dated 27-6-45 is herein enclosed for favour of obtaining the sanction of Government thereto.

Report No H2 9904/44 dated 12th March 1945 from the Health Officer, Bangalore City Municipality.

Ref Memo No A5 C /44-45 dated 5-3-45 in the matter of submitting proposals for the continuance of temporary Establishments during 1945-46

Submitted to the Municipal Commissioner.

1 The list of temporary establishments to be continued during 1945-46 is herewith enclosed The post of a temporary Sub-Overseer which was included in the previous lists has been omitted now as the same is merged with the Engineering Establishment sanctioned in G O No L 1289-93/M1 81-44-4 dated 8-8-1944

2 Statistical Clerk A separate reference has been made to make the post of statistical clerk permanent and a reference has also been made to Govt in this matter

3. Lorry Drivers The services of the lorry drivers are very essential in the interest of rapid removal of rubbish in the City As such, the establishment of the lorry drivers consisting of 7 drivers and a cleaner may be made permanent

4 Lady Health Visitors Establishment Even though the three Maternity Homes are permanent institutions, the establishment of Lady Health Visitors, attached to these Maternity Homes is treated as Temporary Separate reference has already been made to make them permanent and to give them the benefit of graded pay etc , as is obtained in the Govt Medical Department and also to facilitate transfers A reference also has already been made to Govt in this connection

5 Anti-Malaria and Vaccination Establishment - This scheme was originally sanctioned during 1928 From that period, the establishment is being renewed year after year by special sanction of Govt along with the temporary establishments An additional staff of one Asst Sanitary Inspector and 20 men was added on to the above scheme from 1-1-40 as per G O No 5258-61/M1 26-39-49 dated 4-12-39 as the original staff was found inadequate to control the spread of Malaria The mosquito control work forms an important item of work of this section Estimates are now under preparation for execution of certain Engineering works to canalize some of the quarries in and around the Bangalore City and Drain off some of the tanks that are a source of mosquito breeding places, as a permanent relief for mosquito nuisance The entire works, will probably take some years In the circumstances, the entire present establishment may be continued for a period of 5 years in the first instance

6 11 Silt Carts on Rs.60/- each P M. The undersigned has already pointed out the inadequacy of carts for the removal of rubbish in the City and as such, proposals have been made to entertain additional carts The Municipality is contemplating to municipalize the entire system of removal of rubbish and night soil Till this scheme is completed, we have to depend upon the existing carts These carts will be replaced as and when motor transport is available This establishment may therefore be continued for 3 years

7 Sweepers establishment shown as temporary vide serial No 2, 3 4, 8, 10, 11, 12, 13 and 14

As the present strength of sweepers and scavengers are insufficient to cope up with the increase of work the Municipality is urging the Govt to sanction additional establishment The entire staff of sweepers, scavengers and gangmen shown in the list is very essential in the interest of better sanitation of the City Under the circumstances I recommend that these establishments may be made permanent

There will be no additional expenditure in this connection as the entire sweepers establishment is non-pensionable. The scheme of Provident Fund is under consideration instead.

Letter No A5 C 427/43 dated 1st August 44 from the Municipal Commissioner, Bangalore City, requesting sanction to the resolution dated 19th November 1943 of the City Municipal Council in the matter of starting a Maternity Home and Child Welfare Centre in the III Division, Bangalore City

2 Un-official note No C 419-1 dated 9th October 1944 from the Chief Medical Officer, Women's Hospitals in Mysore, stating that the above resolution may be sanctioned

3 Letter No AB C 427/43 dated 10th February 1945 from the Municipal Commissioner, Bangalore City, on the subject

---

Order No L 12625-8/M1 10-44-15

dated Bangalore 20th June 1945

The idea of starting a Maternity and Child Welfare Centre in the Bangalore City, for purposes of demonstration for carrying on similar work in the urban and the rural areas of the State has been under consideration for a long time The mortality figures show that the rate of mortality among women of Child-bearing age is high

2 At present, the maternity services in Bangalore City are being offered in the Vani Vilas Maternity Hospital, in the three Maternity Homes maintained by the Municipal Council and in the Local dispensaries with about eleven Midwives A certain amount of welfare work is also being done In spite of these measures, the percentage of mortality continues to be high and it is felt that organised maternity and Childwelfare service would greatly reduce this preventable loss of life of women and children

3 With the above object in view, the Director of Public Health has formulated a scheme of starting a Maternity and Child Welfare Centre in the III Division, Bangalore City, which has a population of about 50,000 and where, a Maternity Home is already in existence The scheme proposed would introduce in the City, for the first time, a regular domiciliary Midwifery service whereby labour cases could be attended to in the homes by trained and experienced staff

4 The total annual cost of the scheme comes up to Rs 17,050/- inclusive of that of the existing maternity home viz ,Rs 6,910/- per annum as shown in the appended statement

The Bangalore City Municipal Council have, at their meeting held on 10th May 1944, approved of the scheme in question and are agreeable to meet the entire charges thereof out of their funds The Chief Medical Officer, Women's Hospitals in Mysore, has recommended acceptance of the above resolution of the City Municipal Council The scheme is accordingly sanctioned Necessary provision should be made in the budget of the Bangalore City Municipality for the next and future years

Ref Memo No A5 C 154/46-47 dated 20-9-1946, forwarding copy of letter from the Revenue Secretary in the matter of continuance of Temporary Establishment for the year 1946-47 with certain observation for report

II Silt Carts on Rs 60/- each P M

The removal of rubbish in this Municipality is by hired silt carts The total number of silt carts enagaged by this Municipality is 70, out of which 59 are borne in the Permanent Establishment and the remaining II in the Temporary Establishment In addition, 9 lorries are engaged for the removal of rubbish in all the Divisions, Market and the Hospitals The removal of night soil is done by contract system A certain number of carts are allotted to each division for this purpose

As this system was found defective, it was proposed that the entire system be municipalised Accordingly the Government have approved of this proposal in their order No L 8586-8/M1 10-45-175 dated 25-2-1945 So far this Municipality is able to purchase only 8 carts Out of the sanctioned 70 hired carts for this Municipality, about 60 carts are actually present on any one day The above 8 carts are now drafted to the divisions where there are no carts

A statement showing the total number of carts allotted to each division both silt and manure carts and the number of carts actually working is herewith enclosed for favour of perusal A perusal of this statement will show that this Municipality is working short of required number of carts Under the circumstances explained above, it is not possible at present, to dispense with the services of eleven silt carts, for which sanction for the continuance is sought for However, when the full complement of carts is purchased by the Municipality, action will be taken to dispense with the services of these carts

II Lady Health Visitors Establishment

The post of one Lady Health Visitor on Rs 75+20 C A and one Ayah on Rs 10/- have been merged in the Establishment for the Maternity and Child Welfare Centre, III Division, sanctioned in G O No L 12325-8/M1 10-44-153 dated 20-6-45 and as such the same has been deleted in the present list The copy of the G O as desired by the Revenue Secretary, is herewith enclosed
